Our 'Shine' Moment...

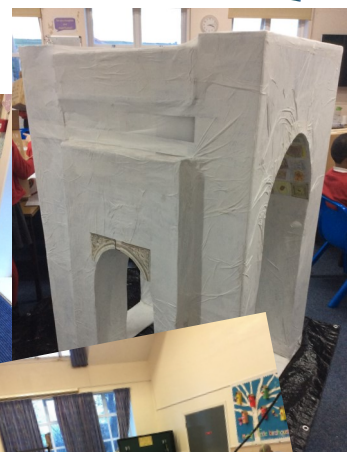

Jackson's Section Engineer, Liam Gallagher, said: "It has been amazing seeing the excitement and awe on the children's faces when we go to see them each day and set them tasks to get the build complete...the children have been fantastic and are a credit to the school."

Big Build!

Well, what a week that was!

Thank you to all of the children, staff, families and volunteers for all of your hard work during our first Big Build. The final structures are masterpieces and I am incredibly proud of what has been achieved!

Christmas Eve Box Appeal

MOTHERSHARE

TUESDAY'S CHILD

Pick-Up

We appreciate that from time to time, unavoidable circumstances could result in a different adult collecting your child at home time, or indeed, after an extra-curricular activity.

We are now implementing a password system in this eventuality, when the adult collecting is **not** a named emergency contact on your child's school information.

It is your responsibility to inform the school office on the day with details of the adult collecting and the agreed password between both parties.

Only once this password is shared will staff allow your child to leave the school.

Thank you.

Adults to liaise, secure arrangements and agree on a password, e.g. Donald Duck

Parent to ring the school office, 01422 367140, and share arrangements and the password.

Office staff to share information with class teacher before the end of the school day.

Adult collecting child shares password with teacher and child is safely dismissed.
