# Welcome back!

We hope you all had a wonderful Easter holiday—the weather certainly helped! We have heard some wonderful stories this week about Easter egg mountains and family time. Together, we are looking forward to a new chapter; a busy term for All Saints' and lots of exciting learning opportunities. Thank you to everyone for your kind and supportive words of encouragement this week. We are both really looking forward to a great summer term!

### Home-school values

This half term our Christian value is Endurance (Perseverance). This is an attribute that is especially valuable to our learners and staff. Alongside adopting and enhancing a Growth Mindset attitude, this half term during reflection and worship, we will be focusing on what endurance means to Christians throughout the world. Please look out for the home value sheet for discussion at home with your family.

Please see page three for summer term diary dates!

## Home-school family challenge!

We would love to see some of your family mosaic pictures and to be able to display them around school. This process is time consuming and needs lots of perseverance!

# Loving God, we live in the mystery of the new life you promise in Jesus and the new life that surrounds us every spring. Help us connect with people we don't usually see. Make us one whole and holy

people. Amen.

KEEP GOING

Phílíppíans 4:13

I can do all this through him who gives me strength.

### Children's Hospice Week

This week we have had a visitor in school from Forget Me Not Children's Hospice. She explained that children across the country are coming together to travel enough miles to get around the world... and back! Please support this valuable, local charity by getting as much sponsorship as you can! We will be linking the day to our annual One World Week and Share A Pencil Day (more information to follow!).

### Safeguarding

Our priority is that ALL children and adults feel safe and happy in our school.

If you do not feel safe or you are worried about someone else, speak to an adult you trust.

Mr Stuttard and Mrs Dumbreck are responsible for keeping everyone safe in our school.

Please speak to them if you have any worries or concerns.

### **Keeping Our Children Safe**

If you have any concerns or worries about the safety or well-being of a child, do not hesitate to contact Mrs Dumbreck or Mr Stuttard on 01422 367140 or email:
