Staffing 2019/20

I cannot believe we are in July already! In school, Mrs Dumbreck, Mrs Watson (All Saints' new Headteacher come September) and I have been busy organising plans for our next academic year. While I recognise that finding out who your child's new class teacher is going to be is a 'big deal', please know that we offer all members of staff—old and new—a great training package and support, and high expectations are expected of all staff. Myself and the other leaders in school are extremely excited about next year's staffing.

Without further ado, next year's teaching arrangements are as follows:

Class	Teacher	Teaching Assistants
Rec.	Mr J. Stuttard	Mrs Rawsthorne
Y1	Miss C. Smith	Mrs Thomas, Mrs Mathur, Miss Lane
Y2	Mrs A. Summerscales (M, T, W) Mrs. C. Flannery (Th, F)	Mrs Bailey
Y3	Mrs M. Siddiqua	Mrs Smith, Mrs Mathur, Miss Lane
Y4	Miss R. McDonnell	Mrs Kay
Y5	Miss L. Terry	Mrs Bloem
Y6	Mr A. Chamberlain	Mrs Stackhouse

As shown above, Teaching Assistants have been assigned classes to best meet children's needs. This could be subject to change, budget permitting.

Children (including our new Reception intake) will be meeting their new class teachers in their new classrooms on **Friday 5th July** for Transition Day. Following from discussions at this term's 'Meet The Headteachers' Coffee Morning, we have extended the day into the afternoon, too. Children will all return back to their 'original' class in time for Celebration Assembly at the end of the day. I have heard that lots of fun and exciting activities are being planned!

As always, I am sure our staff, children, parents, Governors and wider community will welcome new members of staff with open arms and warm smiles. It is a pleasure to teach and be a leader at this school, and—although we (and our children) still have three weeks of hard work left—next year is looking good!

Next week in school we are looking forward to welcoming Miss Broadbent back after maternity. She will be working with all the children as well as enhancing and extending our PSHE curriculum for next year.

Paris Choir Trip

Wow—what a trip the children have had! Yes, it was hot but it didn't dampen the children's gusto across their two fantastic performances—particularly their starring role on the Disney stage where they followed a 15-piece orchestra! Our children truly shone. Their behaviour was impeccable and their attitudes (although weather weary at times!) were flawless.

We spent a day in Paris, looking around the Sacre-Coeur, performing in the park bandstand, enjoying a river cruise on the Seine and seeing all the sights. Next, the children performed at Disneyland Paris and bravely went on some of the theme park's great rides. Throughout, the camaraderie was fantastic—our older children supported the younger ones and all the adults were especially proud of our singing superstars.

Many thanks to Mrs Durrans for organising this trip-of-a-lifetime and to all our staff members who gave time and energy into making it possible.

Mrs Durrans

Speaking of Mrs Durrans, it is with sadness that I am informing you that she is withdrawing her services from All Saints' next year after being offered to a great opportunity and challenge to work across Calderdale. Mrs Durrans' drive forward for singing has allowed our children to have some exceptional opportunities (like Paris, above, Wembley Stadium, Calderland, the Royal Albert Hall) as well as providing all children with a good music education in class (there are not many schools where musical notation is part of the curriculum!). We wish her lots of luck in her hugely exciting new role.

All Saints' Got Talent

All Saints' Got Talent is back... due to popular demand!

Audition dates: Wednesday 10th July KS1

Thursday 11th July KS2

Final: Wednesday 17th July 1:30 in Church. Finalists

Sports Day Safeguarding

It is Sports Day on Friday 12th July at Copley Cricket Club. Events will be starting at 1pm and families are invited to watch their loved ones compete. As ever, we must stress that **parents do not come over to children** at the cricket club until the end of the event to ensure everybody's safety.

At the end of Sports Day, our Summer Fayre begins! **Each teacher will have a class register and release children one at a time to parents, carers and known adults only.** Please bare with us as we do this steadily and safely. Children not collected will be transported back to school on our mini-buses for 3:30. Parents who use Tea Time Club will be contacted separately. There will be no Celebration Assembly on this day.

Year 6 Leavers' Performance

As is tradition, our Year 6 children are currently busy preparing their leavers production. This year they have decided to perform The Wizard Of Oz... with some little twists!

The children will be performing the play at Halifax Playhouse on Monday 15th July at 7pm and you're all invited! It would be great for us and the children to see a full auditorium.

Parent Sharing Evening

We would like to introduce a 'Parent Sharing' evening on Wednesday 10th July from 3:30—5:30. During this time, each class will be set up with children's books and they can have time to discuss and showcase their learning to their parents. Parents are welcome to 'drop in' at any time during the two-hour long session. We would like to emphasise that this is not a Parents' Evening-style consultation and individual feedback will not be possible. Instead, children will lead the discussions and it will be facilitated by staff. We hope you find it enjoyable.

Healthy Living

We have had a busy week in school being healthy! We have welcomed some visitors into school—Phunky Foods, Healthy Minds, cricket specialists and a dance workshop—to provide some brilliant opportunities for our children. We have also visited a local forest school setting and Year 4 continue to attend crown green bowling sessions in Skircoat Green.

It truly has been a fantastic week for our children who are now very excited for Sports Day and to live healthy lives. Thank you to Miss Hudson and Mr Harper for organising this exciting and engaging week.
