Dear Parents and Carers,

If your child would like individual music tuition in school, you can now sign up via the link below:

<https://www.calderdalemusictrust.org.uk/music-lessons/lessons-in-school>

Click on the 'sign up here' button and search for our school under the Face To Face Lessons section.

Lessons will be provided by Mrs Laura Durrans, who currently provides our classroom-based music tuition in school, so please rest assured we will not be increasing the number of external visitors to site. Mrs Durrans can offer expert tuition in clarinet, flute, piano, recorder, singing and violin.

Lessons will be conducted in a 'COVID safe' manner, adhering to a 2-metre distance, in a well-ventilated area. Mrs Durrans will also be wearing a mask and visor throughout and areas will be sanitised between lessons.

Should you have any questions please contact us or alternatively visit the Calderdale Music Trust website for further information: www.calderdalemusictrust.org.uk

Yours sincerely

Lauren Watson,
Headteacher
