Tuesday 1st December 2020

Dear Parents and Carers,

First of all, happy first day of Advent – it is always such a special time of the year at All Saints'. I am very much looking forward to seeing and sharing with you all our Nativity. It is the first time that I remember our school coming together for a whole-school performance, albeit through the wonders of technology to combine 'bubbles'.

Reading ebooks

As you will see from the following survey link, I am considering purchasing our children access to electronic reading books. These will be books for Reception to Year 6 children, from our school reading scheme and more. This consideration comes from research that shows digital reading access can increase reading enjoyment, reading attainment and reading progress in children.

As you will appreciate, this online access has a cost implication and so we would like a decision to be made that best suits our school and home communities, and well as considering how regularly this resource will be utilised. If you have time, please complete this quick, six-question long survey to help with this decision and it would be most appreciated.

<https://tinyurl.com/ASreadingsurvey>

To confirm, if we do purchase an ebook licence, all digital reading will be in addition to (as opposed to replacing) paper books. We all firmly believe that nothing replaces the joy of turning a page or visiting a great book shop!

Thank you for your time with this survey.

Yours faithfully,

Jamie Stuttard
