Mrs Hudson will continue her role as our specialist sports teacher, and we will also continue to welcome Miss Pigott our Junior Jam IT specialist into school along with Mrs Durrans from the Calderdale Music Service to support our music provision.

All our teachers are very excited to start the new academic year and to meet their new classes but there is still much learning and fun still to be had this academic year. Transition day will be Friday 2nd July where all children will be able to visit their new classroom (COVID safe) and meet their new teachers. Please bring children to their usual entrance point and they will also leave through the usual exit point. New reception children will be invited to a picnic in the church garden on the same day.

Your sincerely

Mrs Lauren Watson
Headteacher
